Dear Parents/Guardians:

The breakfast and lunch program ordering period for the month of **December 2018** is now open. When you order on-line, error is minimized and you automatically receive an e-mail confirmation of your order. Step by step ordering instructions are printed on the back of this letter, and posted on the district website:

www.worthschools.org

Here are a few things to keep in mind when ordering meals for your child:

- A separate lunch menu has been created for Worth Junior High, which includes **SALADS** on Thursdays. This was requested by the Junior High students at a food committee meeting. The lunch menu for Worth Elementary and Worthwoods Elementary do not include a salad option.
- **If you order a meal for your child, the child must take the meal.** Review the attached menu for meals that your child will eat. Only order for days that your child will take the meal. Please order carefully based on your child's preferences.
- If you have ordered on-line in a prior month, you must continue to order on-line for future months. You have created an account previously, with a unique User Name and Password. The District Office cannot access your User Name and Password, and therefore cannot enter your order for you.
- **If you do not receive an e-mail confirmation, the ordering process was not completed properly.** Please contact the Nutrition Hotline as soon as possible for further assistance. Once the ordering window is closed, we are unable to assist with any errors that may have occurred.
- **The on-line ordering window is open for 11 days, from November 7th to November 18th.** Please attempt to order on-line early, in case you encounter a problem.

There is no exception to this deadline.

If you do not have on-line access, you may request a paper order form from your school's main office. Please call the Nutrition Hotline at 708-671-3903 and leave a message, if you have any further questions. Someone will return your call within one business day. **Paper order forms must be received no later than Thursday, Nov. 15th.**

Menus, detailed ordering steps, dietary information and other details are posted on the Worth School District 127 website: www.worthschools.org

Paper Ordering Instructions:

1. If you do not have access to the Internet, contact the school office or district office for a paper order form. An incomplete form will be mailed home to you which will delay the ordering process and could possibly cause your child not to be included in the month’s orders.
2. Refer to the enclosed menu for dates/meals you would like to select for your child. You will need to include the Student ID number and student name when filling out the order form. The Student ID number was provided to you in last month’s mailing.

If you have any questions regarding the process for ordering breakfast and/or lunch, please call 708-671-3903 and we will be happy to assist you. We can also assist you with on-line orders – we have computers available at the Administrative Offices so parents and guardians can come in and place on-line orders.

Parents/guardians can expect menus to be sent home via their child around the middle of each month for the following month. Menus will also be posted mid-month (for the next month) on the Worth School District 127 website: www.worthschools.org

Paper ordering deadline is 3:00 p.m. on Thursday, November 15th for the breakfast/lunch period of Monday, December 3rd through Friday, December 21st.
