

How do I create an Account?

Click “Registration” in the upper right corner of the home page.

Enter all information in the fields provided, including Display Name, Address, Phone, Email Address, Username/Password, Security Question/Answer, and your School District.

Click “Add Student to your Account” to proceed.

You will have an opportunity to edit your account in the future if needed. There, you will also find a few options to customize your Account for Email Notifications.

Adding Students to your Account

After you complete the Registration page, click “Add Student to your Account”.

Add the student's Student Identification number (please contact your district to obtain this number)

Enter student's last name as registered in school

Enter the School student attends

Select “Add Student”

Repeat this for each student attending this school district. Each name will appear in the list at the bottom of the window. You can remove students at any time.

Once all students have been entered, click “Begin Planning Your Meal” to proceed.

Calendar Views

MyMealOrder.com provides two calendar views to choose from when ordering meals for your students.

- **Week View** – displays meals that are scheduled for each student on the account in a five-day (Mon-Fri) view. **This view allows you to see all students in the selected week, in one screen.** (Days shown grayed out are no longer available for ordering in the current window.)
- **Month View** – displays meals that are scheduled for each student on the account in a calendar month view. This view allows you to see a month calendar view for all meals that are scheduled for the selected month. **Only one student's scheduled meals are shown at a time in Month view.** You can use the Student View Settings dropdown in the upper left portion of the screen, to switch between students. (Days shown grayed out are no longer available for ordering in the current window.)

Also available in the Student View Settings dropdown is the ability to switch between:

- o **Students With Orders** – shows all students who have an order placed for each day of the month
- o **Students Missing Orders** – shows students for each day where there is no order placed. This allows you to quickly ensure that all days have an order placed.

Orders can be placed in either view.

How do I view Nutritional Info?

From the week or month view, click on any item. In the Pop-up window, click the + sign next to the item you wish to view to display the Nutritional Info. Click the X at the top of the page to close the pop-up window. Nutritional Information is optional per district.

How do I View Items in my Cart?

Select "View Cart" from the right-side of the screen anytime to view items placed in your cart. The Cart will show each menu/item, for each day ordered, by student. The Cart will show the item Ordered, date of the scheduled Menu, Price, Qty, and Description.

Select the "X" next to any item you want to remove from the Cart. You can also close the Cart and remove an order from the Week or Month View by pressing the Red "Cancel" button.

Select "Checkout" to save and complete your Order and pay.

Select "Empty Cart" to empty the Cart and remove all items placed in the Cart.

How Do I Checkout?

From the View Cart window, select "Checkout" to save and complete your Order and pay.

Review: The screen will once again list all items placed in the Cart for *Review*. The bottom of the Review will display the Remaining Account Balance, as well as the Amount Due for this Order.

Available Balance: If there is Remaining Account Balance available, the system will deduct the total amount due from your Remaining Account Balance and complete the transaction.

No Available Balance: If the Remaining Account Balance is less than the Amount Due for this Order, selecting Place Order will open the Credit Card Processing Screen to process and complete your Order.

To Pay for Your Order:

After you click "Checkout" you will be taken to a pop-up window which will display all items in your cart. Click the green "Place Order" button to proceed.

Enter all required information. You can save your credit card information (optional) to your account, so that future Meal Orders can be charged without prompting your credit card information each time.
