Dear Parents and Community Members:

Worth School District 127 Board of Education is pleased to announce the appointment of Dr. Mark Fleming as Superintendent of Schools for Worth School District 127 effective July 1, 2019. Dr. Fleming succeeds retiring Superintendent Dr. Rita Wojtylewski. The appointment of Dr. Fleming is the result of a national search which was undertaken with the assistance and guidance of the Illinois Association of School Boards. Among the highly qualified applicants attracted by the search, Dr. Fleming impressed the Board with his highly personable, engaging and collaborative leadership style and was the unanimous choice of the Board to succeed Dr. Wojtylewski.

Dr. Fleming has over 21 years of experience as an educator in various capacities as teacher, principal and coach. He is currently the Interim Superintendent of Will County School District 92 and has also served as Assistant Superintendent for Curriculum and Instruction in his current district.

The Board would like to acknowledge and express deep gratitude for the dedication and commitment exhibited by Dr. Rita Wojtylewski in over 13 years of service to Worth School District 127. During her tenure as Superintendent of Schools, she has overseen dramatic, tangible improvements in the overall health of the District, from significant facility upgrades, ongoing curriculum enhancements and fiscally responsible annual budgets. The Board wishes "Dr. Rita" a happy and fulfilling retirement.

The Board of Education excitedly looks forward to introducing incoming Superintendent Dr. Mark Fleming to the students and staff of the District and the greater community of the Village of Worth in the upcoming weeks and into the new school year. We anticipate this new partnership will prove to be a winning combination that will result in overwhelmingly positive outcomes to the daily challenges faced by the District and its many stakeholders.

Sincerely,

The Board of Education
Worth School District 127
