LITTLE SPARKS (Ages 2-5) 9:00am-10:00am: (Requires one adult to participate with child).

Little Sparks is the Chicago Fire's introduction to soccer program where children and parents can take their first steps in soccer together! Specifically designed for children aged 2 to 5 years old and using the fun of play and imaginative stories, Little Sparks facilitates a child's physical, mental, and social-emotional development through the game of soccer! Little Sparks uses three key principles (experiential play, creative learning, holistic activity) to build an environment for children to learn and explore different outcomes associated with soccer and self-development.

SKILLS CLASSES (Ages 6-12) 10:00am-11:00am

Chicago Fire FC Skills Classes are the perfect opportunity for children of all abilities to develop their soccer ability and their love for the game! Working with professional coaches from Chicago Fire FC, our Classes focus on technical development and social-emotional learning, to elevate children as both players and people. Our coaches will build and progress the players skills each week, focusing on different technical abilities while also focusing on repetition. The players will have a chance to strengthen their skill set while learning new skills during the process.
