DISTRICT OFFICE | DR. ROSEMARY LUCAS ADMINISTRATIVE CENTER | 11218 S. RIDGELAND AVE. WORTH, IL 60482

August 22, 2023

Dear Parents/Guardians:

I hope your child's first day of the 2023/2024 school year went well. This letter is to inform you of two important topics.

First, with the predicted high temperatures over the next two days, students will not go outside for recess or Physical Education classes. All buildings are air-conditioned.

Second, at 2:42 today, a lockdown alarm was triggered by accident at Worth Elementary, which by design also activated the lockdown alarm at Worth Jr. High. The lockdown alarm is new. The reason for the false alarm was identified and rectified. Because the new alarm system instantly sends a text message to Officer Cozzi and the Administrators, the Administrative team confirmed the false alarm within minutes. The staff and students were outstanding, as they responded promptly and appropriately. I apologize for any inconvenience this may have caused your child.

Please contact me or your child's building principal with any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads 'Mark T. Fleming'.
