December 9, 2024

Dear Parents/Guardians:

Today, a Worth Elementary staff member accidentally triggered a lockdown alarm at 12:04 PM, which, by design, also activated the lockdown alarm at Worth Jr. High. Because the alarm system instantly sends a text message to Officer Cozzi and the Administrators, the Administrative team confirmed the false alarm in seconds. In addition, Officer Cozzi was on campus to communicate directly with the building principals. I apologize for any inconvenience this may have caused your child.

Please contact me or your child's building principal with any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads "Mark T. Fleming".

Dr. Mark T. Fleming  
Superintendent
