Dear Parents/Guardians:

I am writing to address concerns regarding a resident who has been observed yelling on public property near the schools.

Please be assured that the school district is fully aware of the situation and is actively working to address it in full cooperation with the Worth Police Department. The safety and well-being of our students, staff, and families remain our top priority.

We appreciate your patience and understanding as we work toward a resolution.

Sincerely,

A handwritten signature in cursive script that reads "Mark T. Fleming".
