

# PreSchool for All Program

## 2024-2025 School Year

**Do you have concerns about speech, language, or learning for your 3 or 4-year-old child?**

The program at Worth School District 127 is for children that are at-risk of future academic difficulties who would benefit from a school experience prior to kindergarten. Eligibility is determined by a screening assessment and parent interview.

## Screening

The screening process includes evaluation of the following areas:

- Speech and Language
- Vision and Hearing
- Fine & Gross Motor Skills
- Cognitive Skills

Children must be age 3 by September 1<sup>st</sup>

The screening takes approximately 1 ½ - 2 hours and is provided at no cost to the parents and children at Worth School District 127.

**Space is limited in our program. Screening does not guarantee placement.**

## Step 1

Complete this online questionnaire:
