The RAMS Way

What is The RAMS Way?

We represent our core values at Worth Junior High School through The RAMS Way! They guide us in our everyday lives to be successful and carry on with us beyond our WJH years. We live these traits throughout our entire school, and we invite you to take a moment to review The RAMS Way below.

Respect All People

Be respectful to your peers and staff in your words and actions.

Achieve Academic Effort

Be on time and ready to learn in your classes. Remember to do your best!

Make Responsible and Safe Decisions

Make it a great day for yourself and others by making responsible and safe decisions.

Show Ownership of Actions

Your actions have consequences, both positive and negative.

The RAMS Way Cards

Each day, we take steps to make positive decisions in our lives. Those decisions help us to be successful in our everyday lives and beyond. WJH staff recognizes those efforts through our RAMS Way cards. Students can earn RAMS Way cards for exhibiting any of The RAMS Way traits. Those cards are turned into the main office, and positive traits are shared with parents/guardians at home. Student cards are entered into a raffle, and students have an opportunity to win a variety of prizes!
