Assessments

The Fastbridge assessment window opens on **May 8, 2023**. Students in Grades K-5 will be assessed in the areas of Reading and Math. The best preparation for school and for any assessment is a full night of sleep and a healthy breakfast.

Please continue to check emails and social media for district announcements as we plan a fun-filled close to the 2022-23 school year. It won't be too long before we are back together again for the upcoming school year. We wish you a wonderful summer break!
