Dear Families,

It is impossible to believe we have so little time left in the school year! Although two months seems like a long time, especially in the kid-world, it will go fast, and we will be saying “See you next school year” before we know it. After Spring Break, there are only 41 school days remaining. Our goal is to make our last two months with our students as meaningful and action-packed as possible! We are currently in the process of planning a great end of the year!

Arrival / Dismissal procedures

Any student who arrives after the 8:30am start time for any reason must be signed in by a parent. If your student has a late arrival, please park your vehicle in a legal parking spot and enter the building to complete the process. Students may not be dropped off at the front door.

Universal Expectations- The Bark Update

During our Bark Update Assembly, we challenged students to work on voice levels throughout the building and to keep hands, feet, and objects to themselves for the months of April and May. Please ask your students about this program and support our efforts at home. We appreciate your partnership in helping our students finish the year strong!

Assessments

The Fastbridge assessment window opens on **May 8, 2023** . Students in Grades K-5 will be assessed in the areas of Reading and Math. The best preparation for school and for any assessment is a full night of sleep and a healthy breakfast.

Activities / Upcoming Events

Band students will have their end of the year performance on May 4th

Choir / Drama Club will have performances in April / May. Please check the calendar for extended practice times. If you are not certain, please reach out to Ms. Goldschmidt for Choir information and Ms. Goldschmidt, Ms. Hill, or Mr. Gierling for Drama Club information.

If you have any questions about our upcoming events or programs, please contact your child(ren)’s teacher or the main office. Please stay warm and dry as our April showers hopefully lead to May flowers!
