A Letter from the Principal – February 2025

Dear Worthwoods Families,

We have a lot of great things happening this month! February starts ACCESS testing, Kids Heart Challenge, and celebrating our 100th day of school!. FastBridge Benchmark reports will be sent home on February 10. Please check your child's backpack. Attendance at school is important to your child's success. If your child is ill and cannot attend school, please make sure you report the absence to the front office. We are looking forward to another great month at Worthwoods!

Weather

Please be mindful of the daily temperature as students will be going outside for recess each day (weather permitting). We ask that students dress appropriately to ensure they are warm outside. As we move into the winter months, this includes hats, gloves, and scarves!

Chromebooks

Students in grades 1-5 will begin bringing home Chromebooks each weekend and/or on days where the forecast is calling for inclement weather. Chromebooks do not need to be used unless E-Learning is implemented. Students should come back to school with a charged Chromebook.

Traffic

Safety is our first priority when considering traffic during pick-up and drop-off! Please note that cars are not permitted to park on Oketo and parents/students should not be getting in or out of cars on the street. Also, please be mindful of the crossing guard and follow directions given. Please be patient. Cars are not allowed to pass other cars while waiting. This creates a serious safety concern.

Curriculum

Reading: Our students and teachers have been working hard implementing our new reading curriculum Wit and Wisdom. When you are at home reading, ask your child what is something they notice and what is something they wonder? They have been having some really rich academic conversations in their classroom with noticings and wonders.

SEL: Unit 4: Problem Solving

Technology

Please remind your child what they are doing on their computer at school is monitored. Inappropriate use of technology

Remind your child what they are doing on their computer at school is monitored. Inappropriate technology use will result in losing their privilege of having a device.
