

WORTH SCHOOL DISTRICT 127

DISTRICT OFFICE DR. ROSEMARY LUCAS ADMINISTRATIVE CENTER 11218 SOUTH RIDGELAND AVENUE, WORTH, IL 60482

May 17, 2021

Dear Parents,

We appreciate your investment in your child's education and want to share with you some information about state and federally required assessments. According to federal law:

- All students in grades 3-8 must take an achievement exam in reading/language arts and mathematics each year. In Illinois, students take the IL Assessment of Readiness (IAR).
- In addition, all 5th and 8th-grade students must take the IL Science Assessment (ISA).

Throughout the district, testing will take place daily during the week of May 25-28. School principals have developed testing schedules to meet the needs of their individual buildings. All students will take 3 tests for reading/language arts and 3 tests for math. Students in 5th and 8th grade will take an additional 3 tests for science.

- Testing times range from 60-90 minutes per test.
- There will be no more than 2 test sessions on any day.
- There will be no make-up tests administered this year.
- None of these tests may be taken remotely.

If your child is a remote learner and would like to participate in the assessments, your child must come to school to take the tests.

- Please contact your child's principal to let them know your child will be coming to school for the tests.
- All Covid safety protocols will be followed including mask-wearing, hand washing, social distancing, and filling out self-certification forms daily.

We encourage you to talk with your child about the importance of doing their best on these assessments while communicating that the assessments yield only one piece of information about them and their school's progress. Students' attendance, classroom work, homework, performance on local tests, and contributions to the school's climate and culture all help them grow and learn.

Parents can help their students by:

- Making sure students get a good night's sleep each night.
- Eating a good breakfast each morning.
- Ensuring students are in attendance and on time each day.

If you have any questions, please reach out to your building principal. Thank you for your role in developing lifelong learners and successful citizens.

Sincerely,

Linda Esposito
Director of Curriculum and Instruction
